

# **Awarding the Bachelor's Degree with its amendments at the American University of Madaba**

## **Bachelor's Degree Requirements**

- Article 28** The Bachelor's Degree shall be awarded upon the fulfillment of the following requirements:
- a. 1. Passing all of the courses required for graduation in the curriculum of the specialization in which the student was registered.
  2. Obtaining a cumulative average no less than 60%.
  3. Fulfilling all other requirements of the curriculum according to which the student graduates.
  
  - b. Spending the minimum period required for obtaining the Bachelor's Degree, and not exceeding the maximum limit, (*The duration of study for a Bachelor's Degree with a normal load is eight semesters or four years in all university faculties, except for the Faculty of Engineering and Faculty of Health Sciences (Department of Pharmacy), where the duration of study is ten semesters or five years*)
  
  - c. As for the transfer student and the new student, for whom a number of courses have been transferred, they shall successfully complete at the university no less than 50% of the credit hours required for graduation in the curriculum approved at the time of admission, including the last two semesters of study.
