President's Message

Today is a day of celebration as we proudly honor the achievements of the Class of 2024, marking a significant moment as the tenth graduating class of the American University of Madaba. On behalf of AUM's faculty and staff, I wholeheartedly extend my warm congratulations to each of you, your families, and friends who have joined us in celebrating this momentous occasion.

This milestone unequivocally celebrates your hard work and is a testament to AUM's unwavering dedication to excellence. As you reflect on your journey, remember the profound friendships, enriching learning experiences, and unmistakable sense of belonging that have shaped your time at AUM. You are now unequivocally equipped with the skills, values, and resilience needed to succeed and make a resounding global impact.

AUM has always been firmly committed to nurturing your unique potential, and this year has been particularly meaningful as we continue to implement our sound strategic plan (2023-2027), propelling the university to new heights of innovation and excellence. As you move forward, carry the resolute knowledge and stay unwaveringly empathetic, holding an unyielding determination that will unequivocally guide you in all your future endeavors.

These accomplishments are underscored by the American University of Madaba's relentless pursuit of excellence in every facet of its mission. Our accreditation strategy, in cooperation with the New England Commission of Higher Education (NECHE), attests to our commitment to maintain the highest academic standards, ensuring that our programs are recognized globally for their quality. AUM prioritizes not only academic rigor but also the employability of our graduates, equipping them with skills that meet the demands of a dynamic job market.

Rooted in the values of the Catholic Church, we are dedicated to fostering an environment that upholds moral and ethical principles with human integrity, shaping our students into compassionate and responsible global citizens. We also deeply value the unwavering support of His Eminence, Cardinal Pierbattista Pizzaballa; the Latin Patriarch of Jerusalem, whose recognition and encouragement continually inspire us to uphold and advance the university's vision. These pillars—quality education, employability, and moral commitment, and institutional support—stand as a testament to the university's dedication to shaping the future leaders of our society.

Congratulations, 2024 Class! May you always be blessed, and may your path be abundantly successful and meaningful.
